

## How to wear your bandanna

### THE CLASSIC

1. First, take your bandanna and fold in half diagonally to form a triangle.
2. Put the long edge of the bandanna to your forehead, placing it as high or low as you like.
3. Smooth the body of the triangle back over your hair, with the point falling by the nape of your neck.
4. Next simply bring the ends of the bandanna to the back of the head, overlapping the triangle tip and tie in a single knot.
5. Too easy and a perfect disguise when having a bad hair day!

### THE ARMBAND

1. First, take your bandanna and fold in half diagonally to form a triangle.
2. Starting from the long side, fold back by 6cm as many times as necessary until you meet the opposite point.
3. You should now have a long, thick strip – if not, you have done something drastically wrong...
4. Next, wrap the bandanna around your arm and finish off by tying the ends in a knot or tucking into one of the exposed open pockets.
5. And you're done! Cooler than a watch and available in countless colours to coordinate with any outfit – the armband truly is one of the most versatile of bandanna fashions.

### THE NECK SCARF

1. First, take your bandanna and fold in half diagonally to form a triangle.
2. Starting from the point, fold backwards by 3cm as many times as necessary until you meet the opposite side.
3. You should now have a long, thin strip – if not, you have done something drastically wrong...
4. Take this and tie in a single knot around your neck, then adjust to a jaunty angle to reflect your mood. For the "Pink Ladies" look ensure it is tied to the side.
